Southeastern Credit Union Announces New Location in Waycross, GA

Southeastern Credit Union has gained regulatory approval to serve the residents and businesses located in Ware and Pierce County, Georgia. The Credit Union opened its first location at 1701-B Boulevard Square, Waycross, Georgia. Berry Tanner, a lifelong resident of Ware County has been named Ware/Pierce Area Executive and will lead this new effort for Southeastern Credit Union.

Tanner said "This is a great opportunity to get back to my roots in Ware and Pierce County and to work for a financial institution that prides itself on meaningful community involvement." Elaborating further, Tanner remarked "My career success took me further and further away from the thing I loved most, interacting and helping people with the financial challenges they face. I'm looking forward to getting back into the community, and not just from a professional standpoint, but from a civic and service perspective as well." Waycross, Ga will be Southeastern's seventh location, with six branches located in Valdosta, Tifton, Moody AFB, and Nashville, GA.

Congratulations 2016-2017 Student Advisory Board!

Congratulations to the 2016-2017 Southeastern Student Advisory Board! This year's board was made up of fifteen high school seniors from nine local schools within our ten-county service area. These student leaders met once a month during the school year to hear from personal finance experts and discuss financial decisions that will impact their future and the community. Earlier in the school year, the board toured the Southeastern Credit Union Financial Trading Center at Valdosta State University. The Students also held a Cash Mob at a local business to help boost local sales. Upon successfully completing their board term, each student will have gained an enhanced knowledge of personal finance and a \$500 scholarship to the college of their choice. Since 2010, Southeastern has given nearly \$48,000 in college scholarships through the Student Advisory Board.

Board of Directors Visit Washington

Earlier this year Chairman Anthony Payton along with Board members Jerry Permenter and Mike Beverly had the opportunity to attend the CUNA Governmental Affairs Conference in Washington, D.C. While there they had the chance to meet with our local Representatives and Senators to discuss issues affecting credit unions and their members. We would like to thank all of our Board members who volunteer their time to serve the membership and help to make the Credit Union the success it is.

Indirect Dealers of the Quarter

We awarded AutoTeam of Valdosta, Jerry Kelley GMC of Adel, Cook County Ford of Adel, Griffin Chrysler Dodge Jeep Ram of Tifton and Fitzgerald Chrysler Dodge Jeep Ram of Fitzgerald with our Top Quarterly Dealer Awards. These local dealerships partner with Southeastern's Indirect Lending department to finance auto loans to local residents who purchase vehicles at their dealerships. Southeastern partners with over sixty dealerships in a ten county area, making the Top Dealer Awards quite an honor for these five dealerships. "These five dealerships are all local, family-owned businesses with low-pressure, customer-friendly sales environments," says Jamey LeVier, VP of Indirect

Operations at Southeastern. "These local dealerships represent Southeastern's strong partnership with the local dealer community, and our commitment to providing local residents with the best rates and service on auto loans." If you're in the market for a new or new-to-you vehicle, please go see these folks, and ask for a Southeastern loan at the dealership!
